

The Wonderful Year 2's

Meet our beautiful Year 2 class!

We may have only been in Year 2 for a few weeks, but we have been very busy learning so many new things!

In writing, we have been learning to write perfect sentences. These sentences must have a capital letter at the beginning, and a full stop, question mark or exclamation mark at the end. We have also been learning how to write a narrative. We have been writing some very funny and interesting narratives about the Gingerbread Man, Meanie Monster parties and trips to a rainbow!

In reading, we are learning to reread a sentence so that we better understand what we have read. We are also trying to add more expression into our reading, and having fun playing 'Fluency Tic-Tac-Toe'.

During Maths, we have been playing some fun maths games to help us learn basic number facts. We have been also learning how to show large numbers and place value with Multi-base Arithmetic Blocks.

Our

Science's topic this term is all about water. We are investigating the journey water makes from the rain cloud to our taps, and how we can conserve water.
