

Term Four in Year 5!

A big focus for term Four in Year 5 was our MJR Surf Camp. We loved every minute of it and learnt so many things like teamwork, what makes a good leader and how to try things that we were afraid of trying. We are happy to say that everyone managed to stand up on their surfboard, even though we didn't think we could do it. It was a get chance to reflect on all the good that God gives us in our lives, as well as being able to see the Spirit of Jesus in ourselves and each other. As we finish Year 5, we are looking forward to being responsible leaders in our school next year, being good role models for our younger students, and continuing to try our best in all that we do.

Here are some reflections on our year as well as our surf camp.

Surfing was great and it was excellent to see a smile on everyone's faces. Year Five has always kept me going through school. - Brandon
