

# Year 6 News

WOW! 2017 is off to a very busy start!

We have attended a leadership retreat where we participated in team-work activities, and discussed how to be great leaders in our school. We have also taken part in a cricket clinic where the girls beat the boys more than once (with a bit of help).

In Maths we have been looking at fractions and how to simplify and convert them.

We are in the process of writing an informational report on a natural disaster, and are working really well in our Reading groups.

During HASS we are becoming experts on Federation and Government. Each of us is studying the contribution of an individual who was
