YEAR THREE

We have had a busy start to the year, welcoming three new classmates as well as Mrs Hegney. Reading Roald Dahl books has been lots of fun – we love the characters he creates and the language he uses. We’re becoming experts at animal classifications in Science and making dams in T & E. We celebrated a Liturgy this term and earning MJR blocks and Dojo points has kept us focussed on spreading the Spirit of Jesus. In Maths we have learnt some great card and dice games to help us recall basic facts really quickly. We can’t wait till the end of the term when we perform our Assembly item!
