Dear Parents and Community Members,

We ask your blessing Lord, on this third term,
As we begin,
We start thinking, planning, preparing, sharing,
talking, helping, caring,
Working together with our students in mind,
supporting each other for the good of all.

Give us energy and satisfaction, sensitivity and friendship.
We ask your blessing Lord,
on our children and our community.
Listening, teaching, guiding, inspiring, accepting,
working, growing, cooperating,
Enjoying learning, involving our families,
celebrating diversity.
Give us warmth and encouragement,
empathy and understanding.

God – Bless us with the power of your holy presence in our school.
Jesus – Bless us with the skills of your teaching in our classrooms.
Holy Spirit – Bless us with the fire of love and energy of wind so that throughout this term we work together to build the Kingdom of God in our homes and our school.

Amen

We Value:

Courage

When facing difficult choices, choosing good actions, despite the possible consequences or the opinions of others.

We show this by:
• Asking for help
• Doing what is right even if it is difficult
• Going ahead even when you feel like giving up
• Saying sorry and owning up to your mistakes
• Trying new things
Thank you
How wonderful to be part of such a caring community! Thank you to everyone who contributed and provided food for the celebration of Matt Johnson’s life. Our love and prayers continue to be with Kelly, Mason and Emmy, and their extended family.

Welcome!
This week we introduced seven new students and their families to OLOL, ranging from Kindergarten through to Year 4. We hope you settle in, make some good friends and feel welcomed to our lovely community. We have another new student starting in Pre-Primary next Monday.

Reports
Reports were sent home with students on the last day of Term 2. Students who were absent of the last day had their reports posted. Please celebrate successes with your children, and look for areas to work on for second semester. If you have any questions regarding your child’s progress, please make an appointment to see the classroom teacher.

Keeping Safe – Child Protection Curriculum
Schools are required to deliver a Child Protection curriculum, and in order to do this, our teachers have been trained to facilitate the ‘Keeping Safe’ program. Teachers will start to deliver this curriculum this term. Please see additional information in this newsletter.

P&F Meeting follow up
The P&F are looking into possible future events including a few social events. If you would like to assist, please contact the school.

The Bull and Barrel Festival is coming up in October. The school assists this community event as a fundraising opportunity. We are looking for expressions of interest in becoming involved in a committee for this event.

Class representatives will be talking to parents about the possibility of hosting Japanese exchange students in February next year. Please think about this.

Next P&F meeting is Tuesday 2 August at 7.30pm.

P&F Class Representatives 2016
Kindy   Clare Clements
PP      Alison O’Rourke
Year 1  Ebony Harris
Year 2  Rebecca Mifflin
Year 3  Jade Horrobin
Year 4  Sonia Stenhouse
Year 5  Yvette Duane
Year 6  Jasmine White

School Board
Have you ever thought about being on the School Board? We may be looking for new members for 2017, so think about whether you would like to give service to the school community and support your children in their education. Current Board Member, Tim Giumelli, said, "It is not a hard thing to do, I enjoy it. It is my contribution to the school. Everyone brings something to the table. It is a great opportunity to get involved and give back to the school. No experience is necessary. It is a chance to get to know what is happening at school, and to get to know other parents of your child’s friends."

The School Board are currently investigating art work around the school, and have planned IT upgrades with new interactive projectors being installed in Year 4-6 classrooms, and the purchase of 15 Chromebooks to support the integration of IT within the curriculum. Ongoing discussions regarding the parking situation and possible solutions are on the agenda.

Stage Blocks
Our new Stage Blocks are in use in the Hall. Thank you very much to the P&F for purchasing these for the school, with assistance from the Board. We are currently investigating the possibility of applying for grants to purchase a few more to further enhance our Assemblies.

Term 3 Calendar
The Term 3 calendar is a guide to keep you informed about some exciting events including Confirmation, Science Day activities, Book Week assembly, excursions to the Duyfken and Year 6 Camp, to name a few. Please note, that should any dates change,
please refer to the newsletter for updates, and also the school managed Facebook page. The Term 3 calendar is also on the school website, and is included with this newsletter.

**Parent Information for supporting students after traumatic incidents**
Information is available from the office. Our school psychologist is available to support families, if needed.

**Year 6 Camp and Year 5 Camp**
Our Year 6 students are heading to Hillarys on 13th September for their camp. Activities include Kings Park, Scitech, Team Building, Indoor climbing, Caving, Crate climb/big swing, Archery, Abseil, Flying Fox, Great Escape outing, Fremantle prison tour and other activities. Year 5 students will have an overnight camp early in Term 4, where the emphasis will be on leadership skills and activities, as well as an MJR focus, where they will engage in a surfing opportunity to assist in their understanding that there are many ‘God Moments’ in our lives.

**Winter Uniform**
As the cold weather is well and truly upon us, just a reminder that boys are required to wear grey trousers as part of their winter uniform, grey shorts are only for Terms 1 and 4. Also a reminder that the sports jacket is worn with the sports uniform, and the woollen jumper is worn with the formal winter uniform. Shirts need to be tucked in during the school day. Most students wear our very smart uniform with pride, and I thank parents for supporting students to do this.

**MJR Stars Morning Tea**
On the last day of Term 2, I was fortunate to share morning tea with our MJR Stars from Term 2. These students are role models for their peers by Making Jesus Real to all they meet, and in all they do.

**Blanket Appeal**
A big ‘thank you’ to our school community for donating over 100 blankets for the St Vincent de Paul Winter Appeal. These blankets will provide less fortunate people in our community with warmth and comfort, and the knowledge that someone cares. Well done, everyone!

Have a wonderful week
May God bless you

Mrs Angela Hegney
Principal

**Special Thanks from the Johnson family**
Kelly, Mason and Emmy and all their extended family would like to sincerely thank all who contributed towards the catering for the gathering after the funeral of their husband and father, Matt. The Johnson’s were overwhelmed by the response from the OLOL community, not only in variety, quality and quantity of food provided, but also in the kindness of people who set up and served. On an unbelievably sad day, it was heart-warming to have so many people show that they care.
CARITAS Thank you
From the CEO of Caritas..

I am delighted to advise that, despite a more than usually challenging year for fundraising this year, the Project Compassion response has reached over $11 million. We are finalising the process this Thursday and expect that it will go slightly higher by then.

This unexpected outcome translates into our capacity to provide ongoing accompaniment and quality program support for our many partner agencies after downsizing due to reduced government funding. It reflects great collective action around every diocese and throughout the catholic school system.

My sincere thanks to all our Caritas Diocesan Directions, our staff, volunteers, bishops, parish priests, school principals, teachers and thousands of students who have a passion for the work of Caritas.

Regards
Paul O’Callaghan
Chief Executive Officer
Caritas Australia

Grandparent’s Mass
26 July is the Feast of Sts Joachim and Anne, Grandparents of Jesus. Grandparents are a unique and irreplaceable gift to us. As society changes, their role may change, but some things about Grandparents are constant. At Mass on Sunday 31 July our Parish will honour the Grandparents of our community and celebrate the gift they are in our lives. A special morning tea will be held after Mass. Please bring a plate of food to share. Grandparents may like to bring their grandchildren to this Mass; grandchildren may also like to bring their Grandparents!

Keeping Safe: Child Protection Curriculum (KS:CPC)
The Child protection in schools, early childhood education and care services policy (2011) states that “all children and young people in DECD (Department for Education and Child Development) preschools and schools will access approved child protection curriculum”.

The KS:CPC teaches children and young people to recognise abuse, tell a trusted adult, understand what is appropriate and inappropriate touching and ways of keeping themselves safe.

Themes
The curriculum is based on two main themes which are presented through topics and activities.
Theme 1: We all have the right to be safe
Theme 2: We can help ourselves to be safe by talking to people we trust

Focus Areas
The two themes are explored through four Focus Areas, which are examined in growing complexity in accordance with the age of the learners.
1. The right to be safe
2. Relationships
3. Recognising and reporting abuse
4. Protective strategies

Please note, this is a South Australian program that has been recommended by CEWA as an appropriate Child Protection Curriculum for WA Catholic schools. Curriculum is age-appropriate.
**Gospel Reading**

*Luke 11:1-13*

Jesus teaches the disciples about prayer.

When someone in our family is going through a hard time, we can't just sit by and watch. We try to do everything we can to let him or her know that he or she is not alone. Sometimes we even try to find a special gift for him or her—something that will help that person to understand how important he or she is to us. Talk about times in your family when this has happened.

Like a good father, God saw that his children needed help. He decided to offer his beloved children a special gift to reveal his love. What did God give us? Not a thing, but a person—the Father's beloved Son, Jesus. Jesus, in turn, taught us to approach God as we would approach a loving father. He gave us the words of a prayer that we call the Our Father, or the Lord's Prayer.

Read aloud Luke 11:1-13. Talk about how Jesus teaches us to be persistent in prayer. Think of times when family members were persistent about something until they were able to achieve a goal or receive what they sought. Talk about what it means to be persistent in prayer. Help your children understand that prayer is not like sitting on Santa Claus's lap, asking for what we want until we get it. Emphasize that prayer is a way of striving to recognize how God is reaching out to us in love and responding by presenting him with our needs.

**Making Jesus Real**

**ATTITUDE**

The longer I live, the more I realise the impact of attitude on my life. Attitude, to me, is more important than facts. It is more important than the past, than education, than money, than circumstances, than failures, than successes, than what other people think or say or do. It is more important than appearance, giftedness or skill. It will make or break a company, a church, a home. The remarkable thing is we have a choice every day regarding the attitude we will embrace for that day. We cannot change the fact that people will act in a certain way. We cannot change the inevitable. The only thing we can do is play on the one string we have, and that is our attitude. I am convinced that life is 10 per cent what happens to me and 90 per cent how I react to it. And so it is with you. We are in charge of our attitudes.

**St Mary Magdalene – 22 July**

St Mary Magdalene, a faithful disciple, stood by the cross of Jesus and was the first to see him after he had risen from the dead.
**Kindy**

We are back into things after the holidays!

We are learning all about rhyme and reading books by Doctor Suess (the master of rhyme).

We have read ‘The Cat in the Hat’ and ‘Hop on Pop’.

Next we will find out who likes green eggs and ham!

**Pre Primary**

Welcome to Term 3!! It was lovely to see all the children’s smiling faces on Tuesday morning ready to begin another term. This term we will be investigating fairytales. We have begun with Cinderella and we will be imagining we are organising a royal ball. Over the next two weeks we will be designing invitations, writing lists, and cooking.

In Mathematics we are learning about graphs and different ways we can represent data. We will be displaying our graphs around the classroom for everyone to see.

We are looking forward to a term full of learning, investigating and fun!

**Year 1**

This week we have had Mrs Trigwell with us. We have been writing holiday recounts and Mrs Trigwell was very impressed with all our writing. We have also been looking at seasons and talking about our favourite season. Some of us even chose winter!

**Year 2**

We’re so excited to be back a school after having a wonderful break! We would like to welcome two new girls to our class, and also Miss Hair. Miss Hair is carrying out her education assistant prac, and will be in our room every Wednesday and Thursday for this term. We are super-excited about our assembly next week. Only a few more practices to go before the big day! Hope to see you all there!

**Year 3**

We have settled back into class after a terrific holiday break and welcome our new classmate into Year 3. We are diving into our Olympic theme and have started some creative artwork using the Olympic Rings. We are researching a very special team that will be represented at the Olympics – ten refugees who have been selected by the Olympic Committee to compete as one team. It was wonderful to have Sig. Scasserra return to OLOL this week and we enjoyed learning animal names in Italian.

**Year 4**

Welcome back to Term Three and a very special welcome to our new students, Ciaran and Jonte. This term we will be looking at the Olympic games and finding out all sorts of interesting facts about them. So far, we have brainstormed some words to do with the Olympics and we have come up with some great questions to find out more. Our assembly is also this term, so we will be busy rehearsing that as well!

**Year 5**

The Year Five class has got off to a hardworking start and we are looking forward to an exciting term ahead. The class has transformed into a gold rush town, complete with general store. Over the coming weeks the students will experience what it was like to be a miner on the Australian goldfields. In Science we have been looking at how plants and animals have adapted to hot conditions in the desert. The concepts we are looking at in Maths are factors and multiples and short division. We are all looking forward to a successful Term Three!

**Year 6**

This week we have started to look at the Olympics. The first thing that we have investigated is the Ancient Greek Olympics.

A couple of interesting facts we have found;

1. Only men could participate
2. they did the pentathlon at the first Olympics
3. winners had poems written about them and statues erected in their honour.
