**我们珍视：

**正直

正直发展你全人成为你的最佳，通过一致性思想、判断、选择和行动的体现。

我们这样做：

- 站立为你所相信
- 说它，意味着它，做它
- 告诉真相
- 成为室内外的领导者
- 作出正确的选择和从错误中学习

**我们的愿景

一个欢迎的社区，由众多心灵和一颗心在基督

**我们的使命

以基督为灵感和福音价值的指导，学校致力于促进教育与开发的全人。我们的使命是提供一个高质量的教育，将激发我们对神的爱和接受我们共同的核心价值：

**正直 **尊重 **公正 **怜悯 **勇气
**Student Leaders for 2017**

Student Leadership roles are being discussed with Year 5 students in preparation for them presenting speeches next term seeking support from their peers in achieving these positions. They will prepare speeches outlining their reasons for being Head Boy or Head Girl, Ministry Leader or Environment Leader. It is important to note that all Year 6 students are considered ‘leaders’, being the senior students in the school, and as such, they are expected to be good role models for the younger students in the school.

**Open Morning and MJR Assembly**

On Tuesday 20 September classrooms will be open for parents to view student work and see the displays in the classrooms. Parents and grandparents can visit classrooms when they drop children at school until 9.45am, when we will hold our MJR Assembly. The school Leadership team will be available for a coffee outside the hall during the Open Morning. You are welcome to take the opportunity to chat with the Principal and Assistant Principals to provide feedback.

**P&F Meeting follow up**

The Bull and Barrel Festival is coming up in October and the P&F are in need of helpers for parking and a sausage sizzle on the day.
Please let the office know if you can help.

**School Board**

Next meeting is Tuesday 20 September at 5.30pm in the Staff Room.

**Sports Uniform**

As stated in our School Handbook, sports shoes should be predominantly white, black or navy blue, and should not include fluoro colours or laces. Please keep this in mind when purchasing new sports shoes, thank you.

**Kindy/Pre-Primary Sand pit**

Calling parents to help keep our sand safe for our students by raking it each morning. The sand is becoming compacted particularly under the swings, slide and fireman’s pole. With your help to rake it each day, we can ensure a safe-fall zone for our students. Please see the Kindy or Pre-Primary teachers for a rake. Why not rake and chat with a friend? We are still waiting for our first volunteer!

**Playground before school**

For duty of care and safety reasons, students are not permitted to play in the Early Childhood playground before and after school. Please take your children directly to class once the doors are open at 8.30am.

**Future Student 2021**

Congratulations to the Allwright family on the safe arrival of Ruby’s little brother, Charlie. Exciting times for the family. We look forward to meeting baby Charlie.

Wishing you a wonderful week and a relaxing holiday with you family, commencing next Friday 23 September.
School commences for Term 4 for students on Tuesday 11 October.

Mrs Angela Hegney
Principal

**Can you cook a good snag or two?**

**Look good in an Apron?**

**Want to help OUR school?**

**VOLUNTEERS ARE NEEDED TO HELP RUN OUR SCHOOL SAUSAGE SIZZLE @ THE BULL & BARREL FESTIVAL.**

Saturday 8th October
Please see school office if you can help.

---

**SCHOOL FEES**

Payment of term 3 school fees was due last Friday, 9th September. Overdue reminders are being sent home today to those whom still have these accounts outstanding. Please make a confidential meeting with Mrs Hegney if you are experiencing difficulty in paying your account. Thank you
Religious Education News

Gospel Reading

Jesus tells a parable about a dishonest steward who is commended for his prudence; one cannot serve both God and money.

Talk with your children about some things that they have done to show that they can be trusted. Talk a bit about what it means to be responsible. Responsibility often means that we put aside something of passing value for something of greater value.

Read together the short form of today's Gospel, Luke 16:10-13. Talk about the importance of responsible use of money and our material possessions. As a family, commit to one action that you will take this week to show that your family serves God and not money.

Reconciliation Information

19 October, 2.20pm Parent Meeting
22 October, 6.00pm Enrolment Mass
2 November, 3.30pm Parent Child Workshop
4 November, 9.00am Reconciliation
6 November, 9.00am Thanksgiving Mass

MJR- Sense of Humour

One of our great Australian characteristics is our sense of humour. Basically it means that we can laugh at ourselves and make light of difficult things that come our way. Generally we don't take ourselves, or life, too seriously.

Sometimes we make mistakes and people laugh at us; like falling in the mud. Even though it amuses others and we are not impressed, a person with a sense of humour laughs with the amused friends; other people spit the dummy and storm off.

It is an important quality to work on and there are many and varied senses of humour and not everyone sense of humour works in well with us. People are attracted to friendly, cheerful people who are ready to have a good laugh at life.

Father Wayne is away at the annual Diocesan Priests’ Retreat. After that, he is going on annual leave for 4 weeks and will be back Week 2 of Term 4.
MISSING FROM OLOL. Mrs Leach and Year 6 Class. Last seen boarding a blue bus on Tuesday Morning. All students looked very happy and excited.

(edit: They have been found... on Camp! Check out all their action on pages 7 and 8 of newsletter!)

OUR LADY OF LOURDES – CLASS NEWS

YEAR 1
In Science, we have been observing the weather every day and writing it into our weather calendars. We also completed our Season dioramas and shared our designs with the Year Two class. In Mathematics, we are participating in many hands on activities to help with our place value, addition and subtraction skills. We are starting to get very excited about our assembly and looking forward to performing for everyone.

YEAR 2
Last week our class went to watch the Addam’s Family performance at the BREC. We saw Miss Hair Playing the clarinet. In class we have been learning how to multiply numbers. We also enjoyed writing pen pal letters to the Year One students.

YEAR 3
We have been on an amazing journey through the Solar System, writing postcards to send home to tell about our travels. We found out that a hat and sunscreen won’t help you if you visit Venus, it’s way too hot there. We also discovered that we couldn’t land our space ship on the outer planets as they are all made from gas!
In Science we have been learning about the importance of conducting a fair test and have planned our shadow stick investigations, to see how shadows change throughout the day.
In Maths we’re pretty proud of ourselves as we have nailed addition with regrouping. We proved that persistence pays off!! We also had loads of fun testing our Moon Buggy designs in T&E. We’re looking forward to our parents and grandparents visiting our classroom next week for the Open Morning.

YEAR 4
This week in Year 4 we have been comparing the book of Storm Boy to the movie. It was very interesting to see the differences between the two. Halfway through the movie, most of the class liked the book better as it had more description. At the end of the movie, however, the majority of the class liked the movie. Some of the reasons were that more happened in the movie and that the ending was happier.
We have also been researching the journey of the First Fleet and have written diary entries to describe the conditions on the boats - we certainly wouldn’t have wanted to be on any of those ships!

YEAR 5
In English we are writing ballads about the life of Ned Kelly. Students are writing some really creative and colourful stories about the life of this famous Australian Bushranger. We will have these and lots of other gold rush activities on display at the open morning on Tuesday, such as our Narratives and Journals and Ned Kelly Wanted Poster.
In Maths we have just finished a topic on fractions and have spent the last couple of days playing some awesome fractions games, such as ‘Simplying Fractions Connect Four’, and ‘King and Toad Fraction War’.

Pre-Primary
It is hard to believe that it is Week 9! Last Thursday we celebrated our class Liturgy with the Year One class led by Father Wayne. It was lovely to see so many families come along and help us thank God for the world that he has created.
In Science we have been learning about the different types of clouds that we can see. It has been interesting to hear the conversations in the playground at recess and lunch, with the class trying to decide which clouds they can observe and how they can be different from morning to afternoon. We are looking forward to showing our families all our amazing pieces of work that we have created at our open morning next week. We have been very busy and produced some wonderful work which we are sure you all will enjoy looking at.

Kindy
We have been focusing on words, letters, sounds and rhyme. We can all recognise our name as a sight word, now we are learning to create each individual letter shape. The quality and size of our writing has greatly improved through lots of fine-motor activities.
We have also discussed initial sounds and counted how many letters we have in our name. Clarabelle has the longest name in our class!
Canteen News

TOMORROW - WEEK 9 - 16th September
Leaders: Denise & Clare
Helpers: Sally MacDonald

NEXT WEEK—WEEK 10 - 23rd September
Leaders: Danielle & Jasmine

RECESS:
- $2.00 Fruit Kebabs

SUMMER UNIFORMS

The sun is starting to shine... finally; and term 4 is almost here. We suggest its time to pull out the summer school uniform dress and shorts to check your child hasn't grown dramatically over the past two terms!

The uniform shop is open 1 more morning before term 4 commences; NEXT Thursday Morning 22nd Sept. Please note as there is no assembly on Thursday (moved to Tuesday) the uniform shop will be open from 8.45am.
